Riders shall start the Rally from one of the published start locations.

Riders shall generate a receipt AFTER the rally start time from their choice of the published start locations.

No Bonus photographs may be taken before the riders start receipt has been generated.

The start receipt MUST be brought to the scoring table. If the rider does not present the original start receipt at the finish, the rider will be classed as “did not finish”

If, for whatever reason, a suitable receipt cannot be generated from the riders choice of published start locations, the rider shall generate a suitable receipt from anywhere within the vicinity - and we mean the immediate locality—5 minutes riding time.

Riders shall copy identifiable unique data from the receipt onto the area of the rally ID flag designated for this purpose. “Identifiable unique data” could be the exact receipt time (07.01.22 for example), the receipt number, transaction code or other data that is unique to that receipt.

The data transferred to the flag must be written in a clear manner. A black permanent marker or Grease pencil is ideal. It is the riders responsibility to provide this. Riders should carry this marker or pencil during the rally in case they need to correct any smudging or other deterioration of the markings.

Check individual location instructions for additional requirements.

FINISH LOCATION:

Shearwater Hotel , Ballinasloe, County Galway (53.326841, -8.219964)

Rally Finishes at 7.00pm. There is a 1 hour grace period until 8.00pm subject to the following penalty points being deducted from your score – 1000 pts per 15 Minute block after 1900hrs. Example – arrive at 1936 (minus 3000 pts). If you have not arrived and stopped the clock by 2000 hrs you will be classed as “Did not Finish”.

You MUST stop your rally clock by checking in with staff as soon as you arrive back. **The clock will keep ticking until you tell us you have returned.**

You can present yourself for scoring anytime after **5pm through to 8.00pm**. However, we need you to help us in this respect. If you are ready to score (ie your score sheet is filled in and you have your photos) present yourself to the score team. The sooner people present for scoring, the sooner we can have an awards ceremony and then have some beer. We anticipate it should take no more than a few minutes per rider.
